

Leon Eugene Longn (leonlong@jsg.utexas.edu)

Leon E. Long at the Coronel João Sá pluton, Bahia (1996).

Prof. Leon E. Long, a full professor (retired) in the University of Texas at Austin, visited the NEG–LABISE in three opportunities. In 1980, as a supervisor of the M.Sc. thesis of Jude McMurry, in 1996 to supervise the M.Sc. of Christina H. Castellaña and in 2012 in a short-term visit. In all the three occasions, he interacted with M.Sc. students at the LABISE and helped some of them during field work (Magno E. Araújo, Antonio C. Galindo and Harlan N. Aguiar).
