

Marcio Martins Pimentel (marcio@unb.br)

Marcio M. Pimentel (2007).

Marcio Martins Pimentel holds a B.Sc. (Geology, 1982) and a M.Sc. (1985) degrees from the University of Brasilia and a Ph.D. (1991) degree from the University of Oxford, England. He has given constant support to the LABISE by lending his expertise on isotope chemistry and helping in the installation of an ion-exchange chromatography laboratory and clean station.
